

# Air Curtain Merchandisers

BDVACM Series

BDVACM-200

BDVACM-220

BDVACM-250

## BLACK DIAMOND®

Black Diamond Air Curtain Merchandisers are perfect for displaying and merchandising bottled drinks, pre-packaged food and any other grab-n-go items. Bright LED lighting illuminates the products on each shelf. The clear glass sides allow for increased visibility and gives the unit a sleek, clean look. The stainless steel shelves are adjustable to accommodate a wide range of products. These units all come standard with casters, digital controllers and a pull down night curtain to help conserve energy during off hours. These models are ETL listed and backed with a 1 year warranty on parts and labor.

### PRODUCT FEATURES

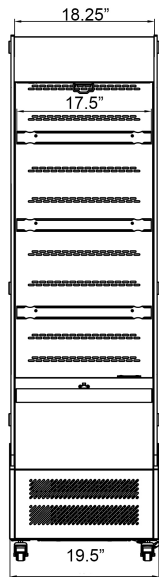

- Stainless steel construction with clear glass sides for high product visibility
- Bright LED lighting on each shelf illuminates and draws attention to the products
- Easy to use digital controllers
- Uses environmentally friendly R290 refrigerant for optimum performance
- Casters for easy mobility and cleaning
- Pull down curtain keeps air circulating inside the unit and saves energy during off hours of operation
- Built-in drain pan heater helps to evaporate condensation
