# Pro-Deluxe Warmer-Dual

pump

What's better than one warming unit? Two! Paragon's Pro-Deluxe Dual Unit Warmers provide twice the amount of warming capacity for your dispensable condiments. Ideal for use in rental shops, convenience stores, concession stands, vending carts, break rooms, or any high volume venue needing to keep food warm for a period of time.

*Aluminum Spouts Heated with a 17 Watt Cartridge.

The Pro-Deluxe Warmer is an ideal unit to hold your despensables. Unit A comes with two sets of 1 ounce ladles, 4 & 1/8 Quart (3.9 Liter) vegetable jars, and lids; perfect for marinara and chili. Unit B, C, & D have an internal riser which is used with a #10 can and also comes with a pump that features a cast valve body and yields 1 ounce. Gauging collars are also included to reduce the yield in 1/8 ounce increments. Then units are great for Hot Fudge, Soft Caramel, and Nacho Cheese.

Each of the Pro-Deluxe units feature a stainless steel body with a lighted master ON/OFF toggle switch and a 500 watt band element with an adjustable thermostat to keep your condiments at a perfect temperature all day long.

These units are not recommended for Butter. Please contast us for our special Pro-Deluxe Butter model.
