

# Spin Magic<sup>5QR</sup> Quick release

Paragon is proud to introduce the SPIN MAGIC 5-QR (Quick Release HEAD) high performance commercial cotton candy machine. The 5-QR incorporates a revolutionary, patented, new head design that requires NO tools to remove the head for easy cleaning. The SPIN MAGIC 5-QR allows the operator the ability to easily spin different flavors of floss with no downtime in production.

- New patented, High-Performance Head will not clog like ordinary ribbon style heating elements and can be removed in less than a second using NO TOOLS for easy cleaning.
- Heavy-Duty Motor (1/12 horsepower) operates at 3400 RPM for fast cotton candy delivery. The motor is completely shielded from sugar to extend its life and allow easy clean-up.
- Professional Controls gives the operator the flexibility to make perfect cotton candy under any conditions.
- Stainless Steel Cabinet delivers commercial quality and durability.
- Voltage Meter indicates the optimum settings for producing the best cotton candy and maximizing sugar to floss yield.

**Roll-Top Bubble**  
Durable polyester for high impact resistance. Sliding roll door for easy access when making floss and full protection when sitting idle. Fits 25"-26" bowls.

**One second head removal. NO TOOLS REQUIRED.**

**Cotton Candy Carts**  
All metal design, custom fit for Paragon machines.  
Rolling Stand

**Three-year Warranty Program - All of our machines are covered with a three-year warranty - the best in the business.**
